

AFFIRMATIONS FOR ABUNDANCE

I am worthy of love.

I can start fresh anytime.

I choose to feel happy and grateful.

There's more than enough to go around.

I deserve compassion and joy.

I uplift and bring out the best in others.

I am confident and capable.

I am surrounded by genuine people.

I am worthy of abundance.

I live a purposeful and passionate life.

I am enough.

I trust my inner wisdom.

I am open to change and growth.

I am love.
